

ACCOUNTABILITY™

Agency financial management powered by agency experts

A GREAT SOLUTION IS ONLY AS GOOD AS THE TEAM BEHIND IT

Accountability is a comprehensive job, time, and accounting platform that serves as the foundation of your financial operations. Designed by agency CFOs and led by industry experts, our approach is to help you automate your tried-and-true agency processes.

BESPOKE IMPLEMENTATION AT TURNKEY SPEED

A fully transparent set-up and onboarding managed by a team who have successfully delivered agency job and financial management solutions into multi-market agencies across 30 countries.

We will work closely with you to understand your agency's needs and configure the platform's structure, with clear milestones ensuring a seamless onboarding for your teams. Your agency's data will be imported via pre-populated templates, making your system migration easier and faster.

HOLISTIC TRAINING AND SUPPORT

We will be on hand day one to deliver targeted training and support, helping you and your team get the most out of our comprehensive Time, Job, and Accounting solution designed exclusively for agencies.

Online help and in-product support requests are included with all monthly subscriptions and provides detailed answers to any questions you may have.

ONGOING COLLABORATION

For more than a decade, we have provided ongoing consultation to a wide range of global agencies. More than just a 'set and forget' solution, we continuously work with our clients to stay abreast of your business.

Quarterly Business Reviews ensure you're maximizing your Return on Accountability and you're up to date on our latest product innovations.

By leveraging our deep expertise, we can help deliver the financial solution you deserve to drive your agency's financial performance.
